FYI, we can start working on the DD briefing and add 1 on FYRs. I'm attaching what I sent to Betsy.

Hi Bill - Thank you for following up on our discussion yesterday and developing a thoughtful proposal for keeping me informed in our remedial activities. I learned a few weeks ago that we have 20+ 5 yr reviews that are due this year, so it would also be good to include those in a future discussion - it would be really helpful if we could try to stagger those deadlines so that all the reports don't come to Sandy and I at the very end of the fiscal year.

Talk to Noah about getting some time on my calendar to walk through the travel proposal and start setting up a schedule....Noah trip should be part of that meeting to help with the scheduling. Also go ahead and schedule the decision document before...we can do the 5-year reviews at the same time, or discuss them during a separate meeting.

Thanks!

Betsy,

Please take a look at the attached proposal for briefings. We can talk about this when you're back in the office.
